

# GET TOGETHER PICKING

*a m i a m i a*  
*p p p*

5

*p* = thumb

*a* = ring

*m* = middle

*i* = index

For those who read music, you'll note that the standard notation is written for low G tuning. However, if one follows the TAB, it will work for reentrant tuning as well.

This picking pattern will also work well with Latin songs, such as, "Sway." Remember to emphasize the notes with the > symbol.

Have Fun!
